SB Academy LLC provides access to information, services, and products through websites that are owned or operated by other companies ("third-party websites"). We have carefully chosen several other companies to provide information, services, and products, in hopes of bringing you the value and service you expect from SB Academy LLC. You can identify that you are at a third party's website instead of SB Academy LLC's website when you have used a hyperlink that takes you to a new location, and the website address of the linked site appears in the "address" box at the top of your browser, or when a new browser window is opened, in which the new third-party website appears.

We have done our best to provide you with information, services, and products from trustworthy third-party companies; however, SB Academy LLC cannot endorse, approve, or guarantee information, products, services, or recommendations provided at any third party's website. It is provided solely for convenience. You should familiarize yourself with the privacy policy and security practices of any third-party linked website you visit. Those are not the policies and practices that will apply to your use of the third-party linked website, NOT SB Academy LLC policies and practices. Because privacy and information security practices may be different than SB Academy LLC, you may be at greater risk of computer viruses, malicious code, or other defects in websites that may affect your computer.

By accessing this site, a user agrees not to redistribute the information found therein. Individual trading results will vary. Performance depends on each student's skills, time commitment, and effort.

THERE ARE NO WARRANTIES EXPRESSED OR IMPLIED AS TO ACCURACY, COMPLETENESS, OR RESULTS OBTAINED FROM ANY INFORMATION POSTED ON THIS OR ANY "LINKED WEBSITE."

The actual results of each trader may be different. No one trader trades with the same account size, takes all the same trades, or uses as much risk on any given trade. This is simple. Because one of our members may have or may make \$2,000 on any given trade does not mean you will.

Refund Policy: All products and services are sold “as is”. The customer accepts responsibility for the purchase, and no refunds will be issued under any circumstance.
